

## Business Transition Readiness: An Owner's Guide to the Process

### Virtual Program Details

What does it mean to be transition ready? Does the thought of your future transition give you a feeling of uneasiness? If so, you are not alone.

Did you know that it takes at least 5 years to prepare an owner and a business for a future exit? This is regardless of whether the sale will be internal or external.

In **Business Transition Readiness** you'll find the answers to these questions and many more in this outstanding program for business owners. **Business Transition Readiness** will help you unpack the complexities of exit and transition planning, dispelling the fear you may have of the unknowns. You'll finish this short program knowing what you need to do to prepare yourself and your business and protect the nest egg you've worked so hard to build.

#### Topics Include:

- **It Takes Awhile:** The Process and Timeline of Exit and Transition Planning
- **Who and What is at Risk?** The 5 D's and How to Prevent a Business Transition Disaster
- **Focus on Business and Owner Readiness:** What should happen first?
- **Overview** of Internal and External Options
